#### Dear Friends,

We invite everyone to attend the annual ZWT Fall Production sale at noon on November 11, 2021! There have been many changes around the ranch, and we encourage you to come and see what the excitement is all about. This year's sale really is the most Unique Angus Offering!

We'll begin by thanking you for taking the time to look over this year's book. We are excited and grateful to be selling some of the stoutest Angus bulls we've ever raised at the ranch. These bulls have been hand selected and will work for you. When you lay eyes on them you will see that angus breed character, power, and maternal traits are the focus of our program. We have spent years of sorting through the best Angus cows in the breed and we are proud to offer you a piece of them through our bulls.

The females in this year sale have been selected by some of the most respectable eyes in the Angus business. You will find that the structure of these females is flawless and have the maternal traits you need to build a herd around. Don't miss out on adding one of these tremendous females to your herd!

If you have any questions about this year's sale cattle, please give us a call. We will gladly help and answer any questions you might have. Thanks again and we look forward to seeing you on November 11th!

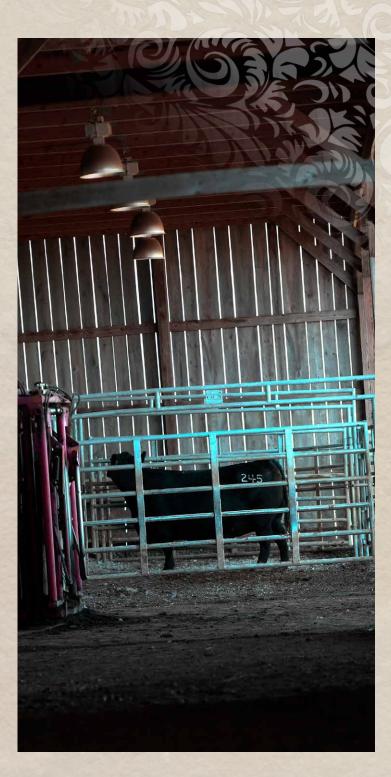

The Mayes Family.

#### COMMENTS FROM THE SALE MANAGER:

Plan now to be on hand Thursday, November 11th for the most exciting offering yet from ZWT Ranch. Both the bull and female offerings are specially selected to be the best available from Tony and Mary Mayes and their family and crew. An incredible lineup of donors, bred and open heifers and cow/calf pairs will sell along with flush and embryo opportunities plus a powerful group service-age bulls. The two-year-old cow/calf pairs were selected from the very top of the program. As you study this star-studded catalog you will find it to be loaded with features from cover to cover.

Now is a great time of opportunity in the Angus breed to fortify your herd with genetics for the next step. Certainly this sale offering presents numerous options with long term appeal.

It is a pleasure and privilege to work with everyone at ZWT Ranch on the presentation of this outstanding offering. Please don't hesitate to call on us at American Angus Hall of Fame if can be of assistance with your selection decisions. We are here to serve.
