Dear Friends,

We invite everyone to attend the annual ZWT Fall Production sale at noon on November 10, 2022! We have continued building on many different aspects of the ranch, from cattle to facilities we have been working diligently on the ZWT Brand and we encourage you to come see what all is new in Crossville, Tennessee!

We'll begin by thanking you for taking the time to look over this year's book. We are excited to be selling a rugged set of mature bulls and a unique set of yearling bulls unlike you've ever seen. These bulls have been hand selected and will work for you. When evaluating these guys, you will see a continued improvement from last year's set and with the yearling bulls you will get a glimpse of the excitement that is to come within the program.

The females in this year's sale are second to none. We will be offering twice as many females this year as compared to last. From top to bottom we have selected cows that are donor quality and the bred heifer division are solid cows in the making. You will also want to keep an eye out on an exciting group of fall yearling heifers and spring heifer calves. Don't miss out on adding one of these tremendous females to your herd!

If you have any questions about this year's sale cattle, please give us a call. We will gladly help and answer any questions you might have. Thanks again and we look forward to seeing you on November 10th!

The Mayes Family.
